Dear Alison

We have recently reached an important milestone in the health and safety performance on the Edinburgh Schools PPP project. We have achieved more than 1,000,000 hours worked without a reportable accident.

This is a significant achievement by all of the Companies involved in the Project as a whole and Forrester & St Augustine's in particular. Everyone involved in this achievement should be proud in reaching this figure.

May I add my sincere thanks and congratulations to all of your operatives and staff involved here at Forrester & St Augustine's Schools.

Yours sincerely

for Laing O'Rourke Scotland Ltd
